Voluntary warranty for selected dental work

The clinic may provide a voluntary warranty for certain dental and prosthetic work under conditions communicated to the patient when the scope of treatment is agreed.

- Eligibility for a voluntary warranty may depend on following the dentist's recommendations and maintaining proper oral hygiene.
- Follow-up visits take place at intervals recommended by the treating dentist; depending on the clinical circumstances, six-monthly reviews may be advised.
- The scope, duration and procedure for reporting concerns under the warranty are communicated individually to the patient.

When reviewing a claim under the voluntary warranty, particular consideration is given to:

- compliance with hygiene and post-treatment instructions,
- attendance at recommended follow-up appointments,

- the effect of untreated missing teeth and excessive loads on the durability of the work,
- bruxism and other individual risk factors discussed with the patient,
- unauthorised modifications to restorations or interventions carried out outside the clinic,
- mechanical injuries and other events that may affect treatment outcomes.

None of these circumstances automatically results in a refusal to consider a complaint. The voluntary warranty does not exclude or limit patients' statutory rights, including the right to pursue claims arising from improperly provided healthcare services.

are agreed and communicated individually; the warranty does not limit statutory rights.

- **Children and accompanying persons**

  – Patients under 18 must be accompanied by an adult.

  – Please avoid bringing accompanying persons unless necessary, out of consideration for other patients.

  – The clinic applies child protection standards in accordance with applicable regulations.

  – Medical and clinic staff have been trained in protecting children from harm.

- **Anaesthesia / treatment comfort**

  – At the patient's request, procedures may be carried out under local anaesthesia.

  – For patients with dental anxiety, we offer additional measures to improve comfort, such as inhalation sedation. The scented sedation mask is charged as a one-off item according to the price list and belongs to the patient. It may be brought to subsequent visits; there is no need to buy another mask.

Complaints and response times

Comments about healthcare services and payment-related complaints may be submitted in person at reception, by post to the clinic’s address, or by email to rejestracja@chrobrego.pl. Please include sufficient details to identify the matter, the date of the visit and a description of the concerns.

As a general rule, we respond to concerns about healthcare services within 30 calendar days of receipt. Where a shorter statutory deadline applies, that deadline is observed (for example, 14 days for consumer complaints covered by Article 7a of the Polish Consumer Rights Act). This provision does not restrict the patient’s right to lodge complaints or pursue claims.
